# Zadanie projektu

- Implementovať desktopovú aplikáciu na správu médií s vydeoobsahom.
- Implementácia nad platformou Java
- GUI by malo splňovať CUA pravidlá.
- Vstup a výstup kartotéky bude zosť v ODF formáte

# Funkčné požiadavky

- Pridanie kategórie media
- Pridanie média do kategórie
- Vyhľadanie média v kartotéke
- Odstránenie média z kartotéky
- Odstránenie prázdnej kategórie
- Zmena kategórie u média

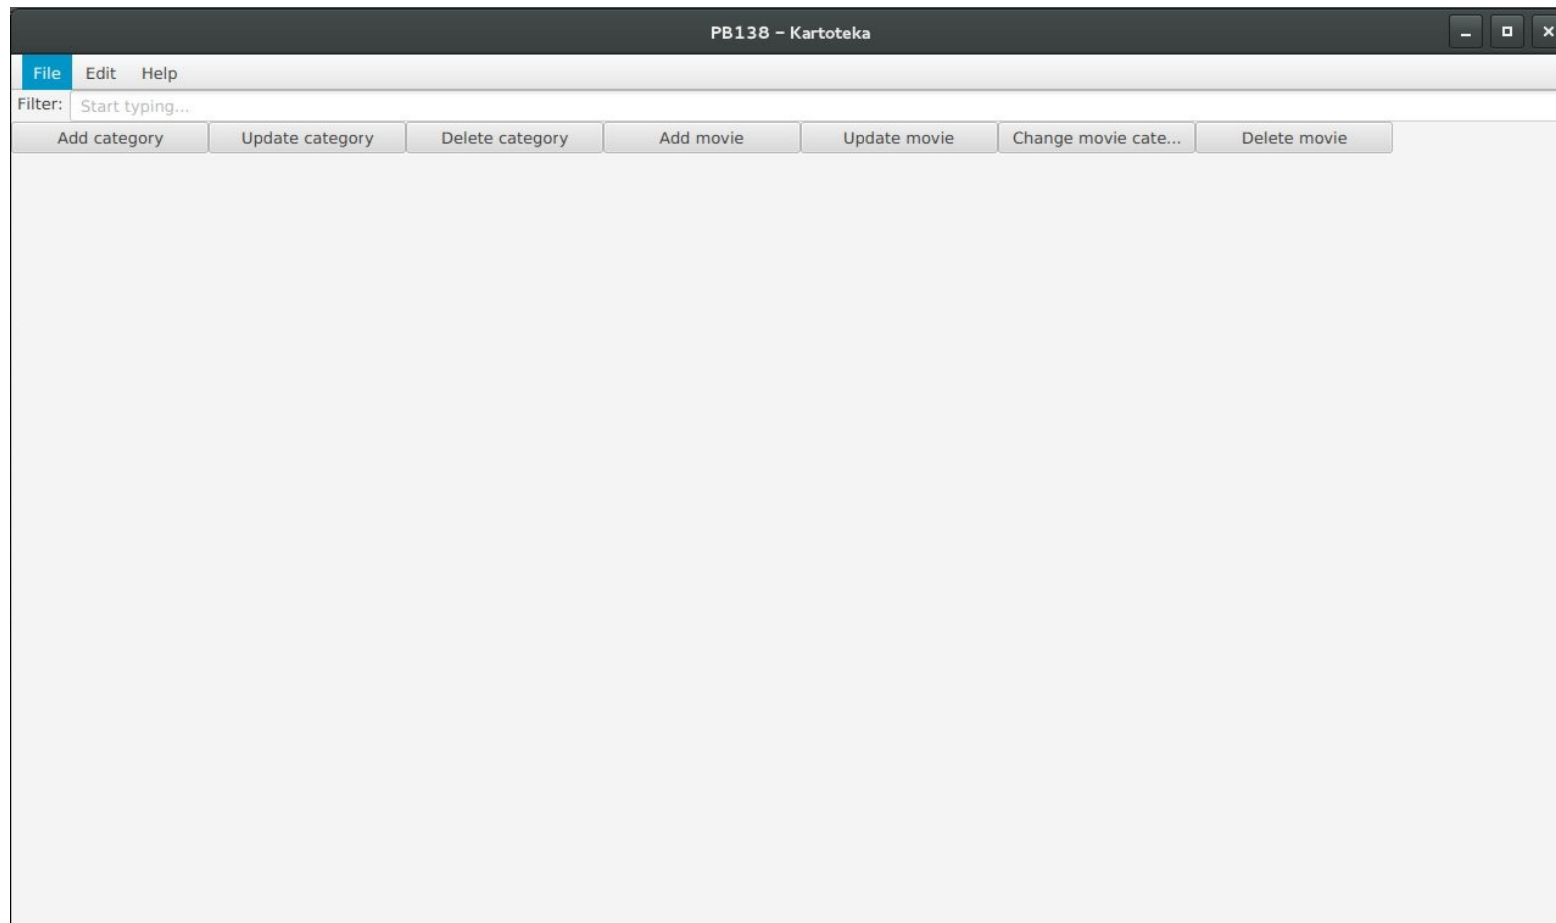

# Backend

- 2 Entity
  - Film
  - Kategória
- Loader – [Apache ODFToolkit](#)
- Manager kartoteky
- Logovanie jednotlivých akcií

# Frontend

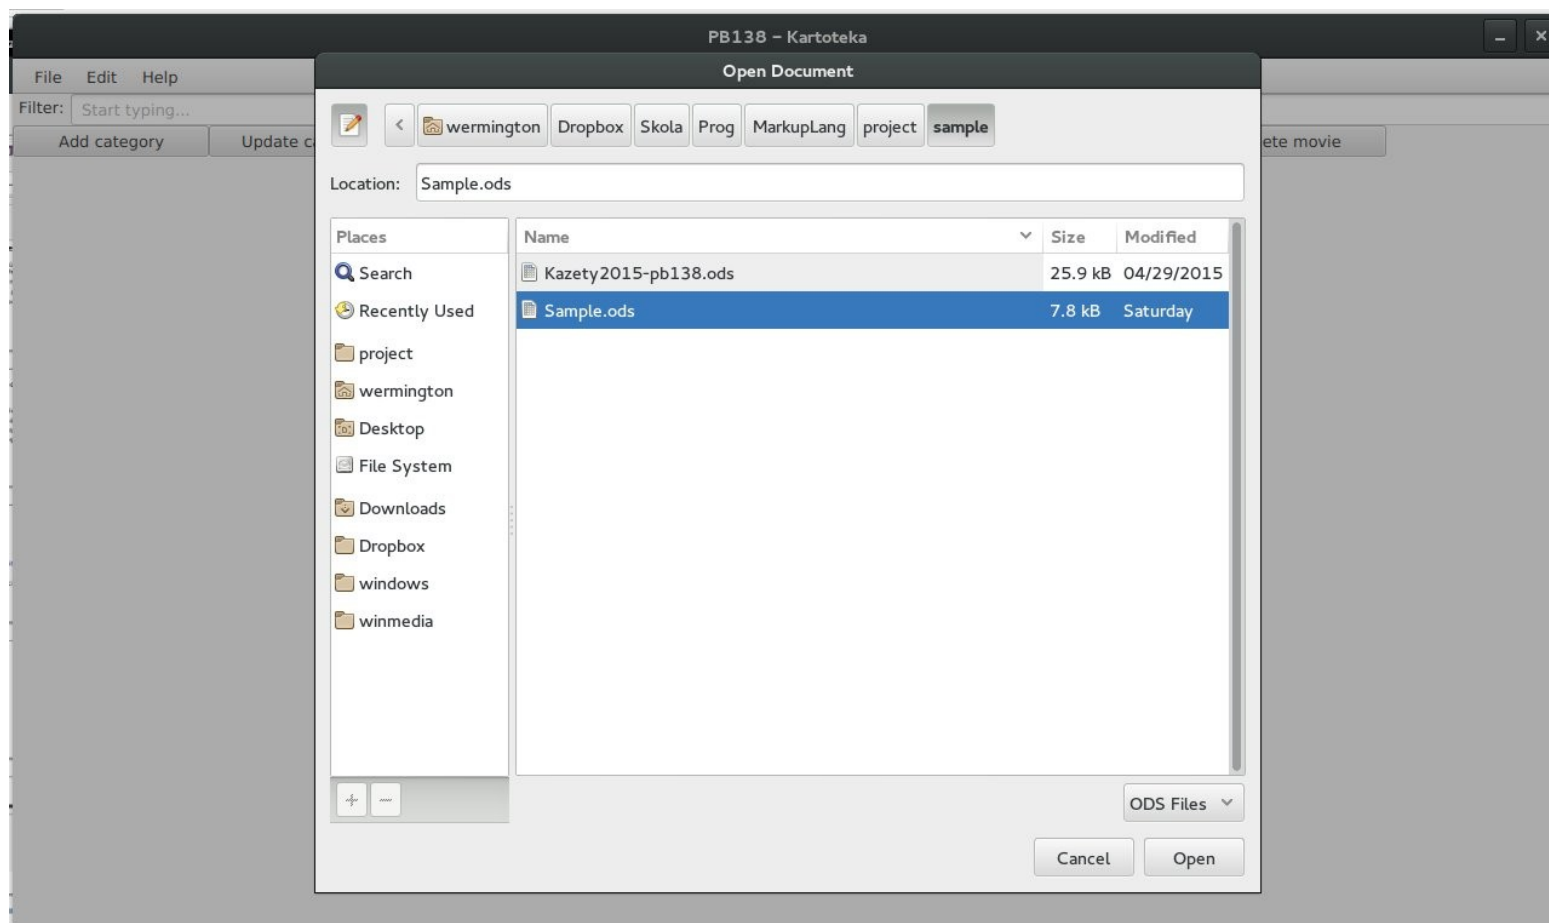

- Java FX
- Internacionalizácia
  - Slovenčina
  - Čeština
  - Angličtina
- Klávesové skratky
- Status bar

# Frontend

# Otvorenie ODS súboru

# Načítanie ODS Súboru

The screenshot shows a spreadsheet application window titled "PB138 - Kartoteka". The window has a menu bar with "File", "Edit", and "Help". Below the menu bar is a "Filter:" input field with the placeholder text "Start typing...". Underneath the filter are several buttons: "Add category", "Update category", "Delete category", "Add movie", "Update movie", "Change movie cate...", and "Delete movie". Below these buttons are four category tabs: "Films", "Fantasy", "Drama", and "Romantic", with "Films" being the active tab. The main area of the window contains a table with the following columns: "Movie name", "Year", "Rating", "Director", and "Description". The table has three rows of data:

Movie name	Year	Rating	Director	Description
Die Hard	1,988	8	John McTiernan	John McClane, officer of the NYPD, tries to save wife Holly Gennaro and several others, taken hostage by German terrorist Hans Gruber during a Christmas party.
Film	1,993	9	Unknown	Some random film
Ultima Film	1,985	5	Kacer Donald	Nejaky random popisok

The status bar at the bottom of the window displays the message: "Status: File \"/>

The screenshot shows a desktop application window titled "PB138 - Kartoteka". The main window has a menu bar with "File", "Edit", and "Help". Below the menu bar is a "Filter:" label followed by a text input field containing "Start typing...". Underneath the filter is a row of three buttons: "Add category", "Update category", and "Delete category". Below these buttons is a row of five buttons: "Random", "Fantasy", "Drama", "Romantic", and "Action". The main content area is a table with the following columns: "Movie name", "Year", "Rating", "Director", and an empty column. The table contains three rows of data:

Movie name	Year	Rating	Director	
Die Hard	1,988	8	John McTiernan	John McClane, or
Film	1,993	9	Unknown	Some random fil
Ultima Film	1,985	5	Kacer Donald	Nejaky random p

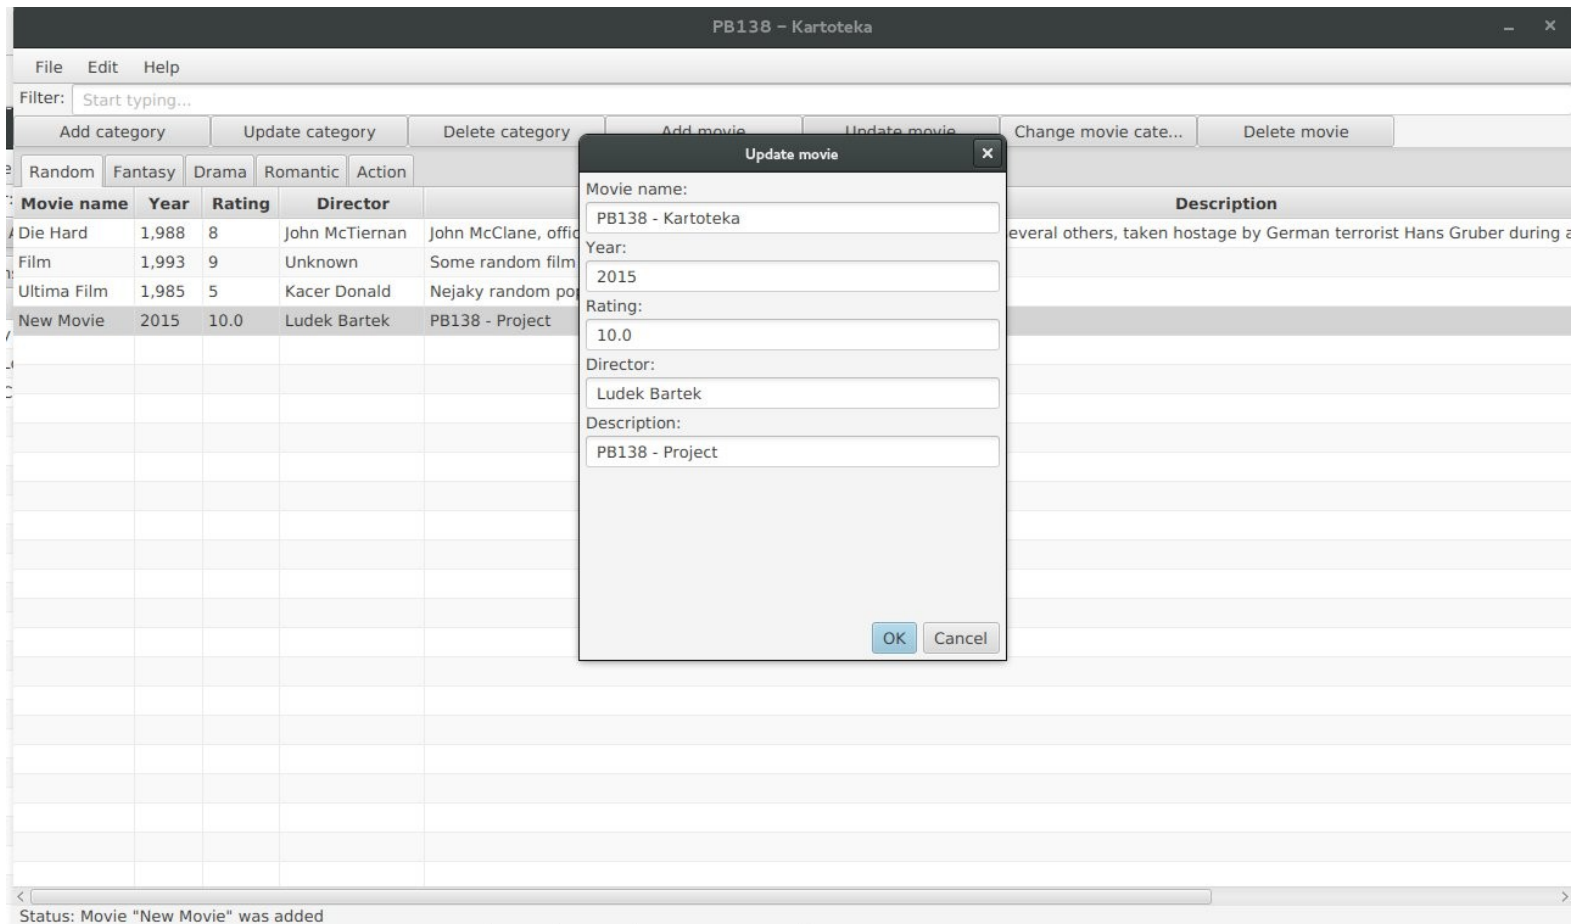

An "Add movie" dialog box is open in the center of the screen. It has a title bar with "Add movie" and a close button. The dialog contains the following fields and buttons:

- "Movie name:" label followed by a text input field containing "New Movie".
- "Year:" label followed by a text input field containing "Enter release date...".
- "Rating:" label followed by a text input field containing "Enter rating...".
- "Director:" label followed by a text input field containing "Enter director name...".
- "Description:" label followed by a text input field containing "Enter movie description...".
- At the bottom right, there are two buttons: "OK" and "Cancel".

Below the dialog box, there is a row of two buttons: "Change movie cate..." and "Delete movie". Below these buttons is a section titled "Description" with a text area containing the text: "d several others, taken hostage by German terrorist Hans Gruber during a Christmas party at the N".

At the bottom of the screen, there is a status bar with the text: "Status: Following category was updated:Random".

The screenshot shows a web application interface for managing a movie database. At the top, there is a menu bar with 'File', 'Edit', and 'Help'. Below it is a search bar labeled 'Filter:' with the placeholder text 'Start typing...'. A row of buttons follows: 'Add category', 'Update category', 'Delete category', 'Add movie', 'Update movie', 'Change movie cate...', and 'Delete movie'. Below these buttons is a row of category buttons: 'Random', 'Fantasy', 'Drama', and 'Action'. The main content area is a table with the following columns: 'Movie name', 'Year', 'Rating', 'Director', and 'Description'. The table contains two rows of data: 'Requiem for a Dream' (Year: 2,000, Rating: 8, Director: Darren Aronofsky, Description: The drug-induced utopias of four Coney Island people are shattered when their addictions become stronger.) and 'Javatar' (Year: 2,010, Rating: 10, Director: Lenny Linux, Description: Java rulez.). A confirmation dialog box is open in the center of the screen. The dialog has a title bar 'Confirmation' with a close button (X). The main text in the dialog says 'Delete movie' followed by a question mark icon. Below this, it asks 'Are you sure you want to delete movie "Requiem ...'. At the bottom of the dialog are two buttons: 'Cancel' and 'OK'.

Movie name	Year	Rating	Director	Description
Requiem for a Dream	2,000	8	Darren Aronofsky	The drug-induced utopias of four Coney Island people are shattered when their addictions become stronger.
Javatar	2,010	10	Lenny Linux	Java rulez.
